

March Madness GiveAway

[Sign Up HERE as Member](#) Welcome To March Madness Giveaway! This is Ken Sar and I am very honor to have you as my contributors! Every giveaway event is different! And I want this event UNIQUE! For this event, I am offering \$0.10 per referral for those contributors who upgrade! Yes, this does not seem to be a lot. But it adds up! Plus I don't know how it goes! and I don't want to lose a lot of money either! So for now, it is offered at \$0.10 per referral. But, let me make this clear! Please read this very carefully! First of all, the \$0.10 per referral is NOT a contest! and here is how you qualify for the \$0.10 per referral: 1. You have to be an UPGRADE contributor in order to get paid!

2. There must be an upgrade contributor who get the 200 referrals mark
3. Referrals are confirmed contributors and members For example, let's say Mike is an upgrade contributor and he only gets 120 referrals in this event. Then say Steve gets 500 referrals and Tim gets only 20 referrals! If Steve, is not an upgrade contributor and Steve is the only one who gets more than 200 referrals, in this case, NO ONE get paid the \$0.10 per referral. But if Steve is an upgrade contributor, then Mike will get \$0.10 per referrals (up to \$0.25, see contest!), and then Tim will only get \$0.10 per referrals if he is an upgrade contributor!
